

Term Project Due Instruction

Instruction

Part 1:

Email your project (in zip format) to coolprofsinn@gmail.com.

- Indicate your group name and group member list in the title.
- One email per group
- Within the email, you have to include ten detail test cases of how to test your market places to show various functions within your project.
 - We will only test your test cases
 - The instructions need to be detail enough for any grader to test your project.
 - Include any instruction for setup.

Part 2:

- Make a video. The video MUST be 20 min or less.
- The video includes two parts.
- Part a: (5min or less)
 - Five slides presenting your team members, overall architecture, features, extra features, and challenges that your group face during implementation.
- Part b: (15min or less)
 - A demo of the summary of the ten test cases you submitted in Part 1.

Notes:

- No late submission.
